

The Big Red Wine Company

Trade List, January 2012

The Big Red Wine Company was founded in 1999 by James Bercovici. In the early days, the ambition was to put together one of the UK's best lists of wines from the Southern Rhone Valley, an area well-known for its well-priced, food-friendly wines. Once this was achieved, attentions turned elsewhere and now the company has a comprehensive range of wines from leading estates in South-West France and a selection of rising stars of Piedmont. Elsewhere, the representation is less comprehensive but the quality of the wines listed is never compromised.

From 2002, the company has been based in west Suffolk although wines are stored in bonded warehousing at Belvedere in Kent, inside the M25 from where wines are delivered nationwide. Unlike other warehouse, BWA is able to offer a dedicated service to its customers, ensuring that we can offer our customers the service they demand.

In 2012, we are pleased to welcome Sarah de Roeper who has joined to develop the on-trade side of the business.

Bordeaux

Château TEYSSIER Vignonet

Jonathan Maltus has transformed St-Émilion Grand Cru Château Teyssier into one of the most sought-after wines of the appellation with riper fruit and well-controlled *élevage*. As well as the St-Emilion Grand Cru wines, there is a weighty but still fresh Sémillon-based white which is only entitled to the lowly Bordeaux AC since no white wines are permitted in the St-Emilion appellation. Along with Teyssier, Jonathan has extended the range in both directions, including some first class generic wines under the Lacroix and Pezat labels.

"Since purchasing the estate in 1994, Jonathan and Lyn Maltus have raised the quality of Château Teyssier to rival that of the Crus Classés" (Oz Clarke & Steven Spurrier's Fine Wine Guide)

3355405	BORDEAUX SUPÉRIEUR "Pezat" A wine at St Emilion Grand Cru level, the Pezat vineyard is literally a pace away from the more prestigious appellation and everything is treated with same care as the wines produced at Teyssier. "Over-delivering" is the phrase most used by critics in reference to this seamless Merlot with a dash of Cabernet Franc. <i>16/20 (Jancis Robinson MW)</i>	2006	12x75cl	£10.00	£120.00
3355208	ST-ÉMILION GRAND CRU Château Teyssier (OWC) Red, full and complex. Excellent right-bank Bordeaux with a nice layer of oak. Wines made to enjoy young but they age well up to 10 years.	2007	12x75cl	£16.01	£192.12

Loire Valley

Chateau de l'ABBAYE Pouilly-Fumé

The magnificent new winery is just inside the Abbey castle. Here, Pascal and Patrice Morlat make their excellent Pouilly-Fumé.

Burgundy

Domaine JOBLOT Givry

No-one who knows Burgundy would argue with the assertion that Domaine Joblot is the greatest estate in southern Burgundy. Only the home estate of DRC's Aubert de Villaine's comes anywhere close to rivalling the wines of Jean-Marc and Vincent Joblot. It is not going too far to say that the wines made in this 14ha estate are better than many grand cru wines from the Cote d'Or. All the wines have excellent levels of concentration with impressive depth and acidity which is considered at least as important here as sugar levels. By Burgundy standards, this is a truly exciting range of wines.

Domaine des MALANDES Chablis

This estate delivers very high quality, typical Chablis every year it seems, no doubt due to the attention to detail in the vineyard, especially at harvest time, and non-interventionist winemaking. Classic, benchmark wines; Chardonnay at its most pure.

Beaujolais

Domaine de la MADONE and Domaine du NIAGARA Fleurie

Jean-Marc Després is one of the leading winemakers in the whole Beaujolais region. He produces classic top-flight Fleurie at the family estate situated in the picturesque hills of the "Madone" sector of the appellation, the area that is responsible for the classic elegance for which Fleurie is famous. Jean-Marc's son Arnaud is responsible for the structured, more long-lived wines from Domaine du Niagara.

Rhône Valley: Châteauneuf-du-Pape

Château de BEUCASTEL Orange

Organic: ECOCERT

Consistently the greatest and longest-lived Châteauneuf-du-Pape of all, Beaucastel has an unusually high Mourvèdre content of around 35% in most vintages. This gives it great longevity, concentration and structure. A must for any Châteauneuf enthusiast. *Availability and prices on application.*

Château CAPUCINE (Christophe Coste) Saze

Organic: In conversion

A new project for Domaine de la Charite's owner, Christophe Coste, who owns a hectare of old-vine Grenache in the Gallimardes sector in the south of the appellation. His first vintage has turned out a superb, deep fruited, prestige quality wine.

Organic: ECOCERT (from 2008)

Baptiste Grangeon took over his family's estate starting with the 1999 vintage. He is rightly described as a rising star of Châteauneuf-du-Pape with some remarkable, modern-style wines already under his belt.

Domaine GRAND VENEUR Orange

Alain Jaume and his sons Christophe and Sebastien have taken Grand Veneur to the top league of Rhône Valley producers. They are modernists with some superb red Châteauneuf.

Raymond USSEGLIO Châteauneuf-du-Pape

Stéphane Usseglio makes rich, full wines from vines over 50 years old, consistently in the top tier of wines from the appellation since 1998. Wines tend to be jammy and juicy with a good amount of fat to cuddle up to yet more elegant than many of their peers, an important consideration when choosing wines to enjoy with food. "Cuvée Impériale" comes from vines planted in 1902 at *La Crau*, one of the most renowned *lieu dits* in the appellation, particularly highly regarded for Grenache.

Rhône Valley: The Southern Rhône

Domaine des ANGES Mormoiron

Organic: In conversion

Dubliner Ciarán Rooney built up an impressive CV including stints at Château Lafite-Rothschild prior to his arrival at Mormoiron. These are modern Rhône wines which make a great introduction to the region. The prestige selections bottled under the "L'Archange" label both see a small amount of new oak ageing. The white is pure Roussanne; the red an ever-changing blend of Grenache and Syrah from the estate's oldest vines. From 2009, a new cuvee, "Seraphin", completes the range.

"These wines are wrongly priced – in the consumer's favour" (Matthew Nugent, Evening Herald)

Domaine BERNARDINS Beaumes-de-Venise

The wines from the 22 ha Domaine des Bernardins (once owned by Bernardin monks) are a step up from these, still as versatile but with more nuances, more complexity. The reason is simple: they use both white and black-skinned Muscat which gives the wine more longevity. This is why Bernardins is the most highly rated producer in Beaumes-de-Venise itself.

Rhône Valley: The Southern Rhône

Domaine BRUSSET Cairanne

One of the most important estates in both Gigondas and Cairanne, established in 1947 by André Brusset, grandfather of Laurent, the current winemaker. There are two Gigondas cuvées, "Le Grand Montmirail" and the oaked "Les Hauts de Montmirail". Both are consistently amongst the finest wines to come out of the appellation each year with "Les Hauts" one of the most long-lived and powerful. "Chabriles" is a top-flight prestige *cuvée* from one of the leading *Côtes du Rhône Villages*.

Domaine de la CHARITE Saze

This excellent *Côtes du Rhône* estate is managed by the dynamic, youthful Christophe Coste who manages his family's 45 ha of vines. In only his second vintage he was awarded *Coup de Cœur* in the Guide Hachette. He has continued this trend with citations in every edition of the guide since then. In addition to *La Charite*, Christophe now owns Chateaneuf newcomer, *Chateau Capucine*.

Domaine des COTEAUX DES TRAVERS Rasteau

Organic: In conversion

Robert Charavin's 13 hectare estate means "the hillside of the rising sun". Vines averaging 40 years are cultivated traditionally without herbicides - indeed, Robert is moving into biodynamics. In recent years, a little oak has been used in the ageing of the wines although in all but the top cuvées this is apparent only in the texture of the bottled wine.

Domaine de MOURCHON œSéguret

Walter McKinlay has attracted favourable press for his wines ever since he started up in the small picturesque Southern Rhône village of Séguret in 1998. Parker points the right side of 90, consecutive *Coups de Cœur* in the Guide Hachette and numerous other awards and citations can assure consumers that they have bought an exceptionally high quality wine before they even open the bottle.

Xavier VIGNON œEnologist

Xavier is one of the leading oenologists in the Southern Rhône and Languedoc with legions of leading producers clamouring at his door (several of them on our list). In addition to this, Xavier makes his own blends, some of them with appellation status, others non-appellation proprietary blends from estates scattered around both viticulture regions.

René ROSTAING Ampuis

One of Côte Rôtie's star wine-makers, René's first vintage was in 1971 since when his landholdings have grown to 7 ha in Côte Rôtie and 1 ha in Condrieu. René's wines are considered second only to the "La La" wines of Guigal (and often better!). The elegant 2004 vintage is approachable already. Inevitably stocks of the single-vineyard cuvées are extremely limited and appear only on our fine wine list.

Champagne

Champagne MONT HAUBAN Monthélon

Champagne du Mont Hauban is in the heart of the French Champagne country. The soil and the temperate climate are well suited to the production of this traditionally made Champagne with depth and subtlety. These are fresh lively Champagnes with a soft round finish, ideal for house Champagnes.

Pure Chardonnay – or Blanc des Blancs – and aged longer than most before release, they are therefore particularly fine with subtle aromas and soft *mousses*, very popular with consumers.

Languedoc & Roussillon

Mas de DAUMAS GASSAC/Moulin de GASSAC Aniane

Mas de Daumas Gassac is generally regarded as the Languedoc's greatest wine, perhaps the only truly world-class wine the region has to offer. Organically produced grapes on low yielding vines become fully ripe whilst retaining their expression of the exceptional *terroir*. Wines are *vins de pays* since the main variety used (80%) is Cabernet Sauvignon (grafted from first growth Bordeaux estates) which is not currently permitted under AOC rules.

New to the range is "Terra", a high quality wine from mature Grenache and Syrah that is the first wine from this estate to be organically certified.

In addition to the *grand vin*, the family oversees a *négociant* operation in the valley, producing a range of wines under the Moulin de Gassac label. These are reliably good, straightforward expressions of the varietals and blends used.

"The only grand cru of the Languedoc" (Hugh Johnson)

Crissante ALESSANDRIA La Morra

Crissante Alessandria began making Barolo in 1958 from his home in the Roggeri sector in Santa Maria di La Morra. Over the years the company grew, new vineyards were bought in the best locations around La Morra and the Alessandria family started to produce differentiated Barolo Cru Roggeri and Capalot, at the same time switching to small barriques for ageing the wines. As well as some excellent Barolo, the family makes a stunning Barbera from vines nearly 100 years old.

ALE530	BARBERA D'ASTI "Ruge" Astonishingly good, clearly from old vines so lots of concentration and richness and not much of the tell-tale acidity. A serious Barbera	2007	6x75cl	£17.50	£105.00
ALE529	BAROLO Ruggeri Wines from Roggeri tend to be rather tannic and this is no exception but they will blend in given time. Lurking behind, though, is some excellent fruit so this needs to be treated as a classic Barolo. <i>Decanter Award</i>	2006	6x75cl	£25.00	£150.00
ALE528	BAROLO Galina Modern, but that has as much to do with the ripe vintage and whiff of new oak which helps to soften the tannins. Elegant, very fragrant and harmonious with scents of ripe fruit, vanilla and tar.	2007	6x75cl	£27.50	£165.00

Fabrizio BATTAGLINO Veza d'Alba

Within two years of taking over the family estate, Fabrizio had his first *Tre Bicchieri* award. The vineyards are planted to Nebbiolo, Barbera and Arneis in the under-valued Roero district (the "other one") and, as such represent excellent value for such superb wines, each wine revealing the winemaker's sensitivity. A particular success - and hugely popular wine - is the sweet "Bric Bastia" made from late-harvested Arneis, a rarity indeed.

Filippo Gallino began bottling his Roero wines with his wife Maria in 1972. Today, the 13 hectare vineyard producing around 60,000 bottles is run by daughters Laura and Enrica and son Gianni. Only natural treatments are used in the vineyard but, in the winery, the most advanced technology is employed to produce some of the finest wines from Piedmont's "third" district.

Enrico Nada has been at the helm since 2008. Treiso is one of the four Barbaresco communes, considered to produce the most fragrant Nebbiolo and Dolcetto. The highest vineyard in Barolo with fabulous views across the valley floor to the Alps, boasts some ungrafted vines which make stylish, modern wines. The more serious "La Tartufaia" vineyard produces Barolo and a Chardonnay that is better than many from the Cote de Beaune. Wild boar help keep the yields low in this sandy vineyard.

Bodegas Muro came about because of the interest of the younger generation. The family has owned land in Laguardia and Lapuebla de Labarca for generations but it was only with the arrival of Miguel Angel Muro at the helm that estate bottling has begun. Since then the winery has been updated with 200 French and American barrels used. Quality is already very good and improving each year as Miguel Angel gains in confidence and experience.

Terms and Conditions

1. How to Order

We are pleased to accept orders by any of the following means:-

- telephone: 01638 510803
- E-mail: sales@bigredwine.co.uk
- Post: The Coach House, The Street, Barton Mills, Suffolk IP28 6AA

2. Minimum Order

Please note: there is a minimum order quantity of 12 bottles.

The minimum order for free delivery is 36 bottles (London) and 60 bottles elsewhere.

3. Prices

Prices in this catalogue are inclusive of UK excise duty but exclusive of VAT and any delivery costs. The prices quoted are for UNSPLIT CASES; splitting of cases may be possible but will be subject to a 30p+VAT surcharge per bottle (irrespective of bottle size). If you wish to split cases you should confirm with us that this is possible at the time of order placement.

Some of the wines are available in bond – please ask for a quote for in-bond pricing.

Samples may be provided at list price and may be credited at the Company's discretion once an order for that wine is received.

4. Delivery and Returns

For deliveries by public carrier within the UK, a delivery charge may apply depending on the quantity per delivery and the delivery address postcode. Your order will be processed as soon as practicable after receipt where an approved credit account exists, or where payment is received for non-account customers. **Please note there are strict deadlines for order placement which must be adhered to for the quoted delivery schedule to operate. Customers are advised to place their orders well before the deadline.** There may be exceptions to this at peak periods and the delivery schedule is not guaranteed.

If you would prefer to take delivery sooner than the delivery schedule permits, this may be possible but higher charges will apply and each such delivery is quoted on a case-by-case basis. Please ask for a quote.

It is essential that you advise us if there is unlikely to be anyone at the delivery address between 9am and 5pm to receive the wines as an additional delivery charge will be incurred if the carrier has to effect a second delivery. In these circumstances you will be invoiced for additional delivery charges.

Please check carefully all goods at the time of delivery and sign the delivery note accordingly. Any defective bottles will be credited only if returned immediately. Claims for breakages or theft from cases sent by public carrier must be advised in writing to ourselves within three days of receipt. Breakages must be retained with the packing for examination by the carrier. Claims for non-delivery must be advised within one week of the delivery due date (two weeks from confirmation of order).

Customers are reminded of the need to store wines in the correct position and temperature to avoid deterioration. Claims for wines deemed to be out of condition will only be considered on production of the offending item.

5. Payment

Payment for all wine is due on delivery save to the extent that specific payment terms are notified to the buyer in the account confirmation notice issued to him. Cheques should be made payable to BRW and sent to:- Barton Coach House, The Street, Barton Mills, Suffolk IP28 6AA. In addition The Big Red Wine Company reserves the right:-

- to suspend or stop future deliveries and to cancel any contracts concerning the same without liability for any subsequent loss or damage.
- to charge interest on overdue accounts at the rate of 6% above base rate and this without preventing The Big Red Wine Company from continuing to pursue payment.

6. Title

Title or property in goods ordered shall not pass to the buyer unless we shall have received full and unconditional payment of all sums due from the buyer. After delivery all risk in the goods purchased passes to the buyer but until property passes the buyer will hold the goods as bailee and will return them immediately on request and must allow immediate access to premises in which they are held. Despite this bailment the buyer may sell the goods in ordinary course of business provided the buyer holds the proceeds of sale as fiduciary on our behalf and accounts to us forthwith. None of the above shall entitle the buyer to return the goods without our consent or constitute the buyer our agent.

7. Miscellaneous

The version of The Big Red Wine Company list which is current from time to time cancels and replaces all previous lists. All wines are offered subject to availability. Prices may change without notice as a result of fluctuations in exchange rates, excise duty or VAT. The Big Red Wine Company will not be liable for failure to meet agreed obligations due to prevailing circumstances beyond its control. These terms and any additional provisions set out in the account application and account confirmation notice shall apply in all dealings with The Big Red Wine Company. These terms and conditions may be varied from time to time as notified by The Big Red Wine Company to a buyer.
